The bath people

SHOWER BASES

DESIGNS TO FIT ALMOST ANY BATHROOM.
FROM OUR EVERYDAY SERIES.

AQUATICBATH.COM

QUALITY AND CRAFTSMANSHIP ARE AT YOUR FEET. LITERALLY.

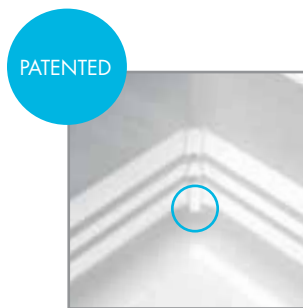

Available in three high-quality materials, Aquatic bases provide a solid foundation for creating the perfect home shower. They offer a simple, watertight solution for achieving a custom-built look, with the wall tiles or accent finishes of your choice.

GETTING STARTED

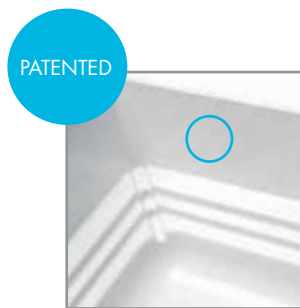

Choosing the right shower base can be almost as simple as picking out towels. Start with your choice of premium cast acrylic, A² or AcrylX™ applied acrylic materials, then select the shape and features that suit your needs and preferences.

WATER MANAGEMENT FEATURES

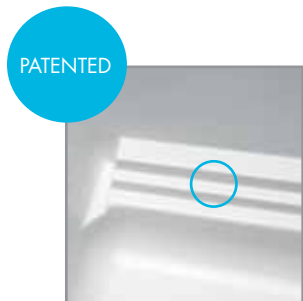

All A² and select cast acrylic bases feature a patented system of design elements that ensure water is directed away from walls and toward the drain. Just look for the ● next to models with these innovative water management features.

Weep channels in all four corners provide an enhanced path for water migration

Extended Flanges work as an added moisture barrier

Step design offers guides for application of various wall finish materials

The raised front profile keeps water inside the pan

IDEAL FOR TUB-SHOWER REPLACEMENT

Whether you need greater accessibility or just want to replace an outdated tub with a beautiful new shower, Aquatic offers several shower bases with left- or right-hand drains that are ideal for remodeling and tub-shower conversion.

A ■ indicates these replacement-friendly models.

THOUGHTFUL DESIGN FEATURES

All Aquatic shower bases have an integral tiling flange that helps direct all water into the drain. Most models are equipped with a center drain, though end and center-rear drains are also offered for maximum flexibility. Other convenient options available include corner seats, footrests and low-profile or roll-in thresholds for enhanced access and safety.

■ Suitable for tub replacement

A² COMPOSITE

Short for Aquatic Advantage, our A² composite bases are engineered to last, with strong structural ribs and durable construction. Yet they're also lightweight, so installation is a snap. A glossy finish and designer styling blends perfectly with any décor.

■ ● 6030CPANNS	60 x 30 x 6	Rectangle	• Left- or right-hand drain

■ Suitable for tub replacement ● Patented water management features

What makes an Aquatic bath great? It's more of a question of 'who?'

Behind every product is an expert—an engineer, a designer, a machine operator—someone who is passionate about making bathing a comfortable and enjoyable experience for everyone.

So when you choose Aquatic, you're choosing more than a shower, tub or other bath product.

You're choosing people who are the best at their craft. And that means you can relax knowing you're getting the best quality, value and options for your specific project.
