STAND OUT

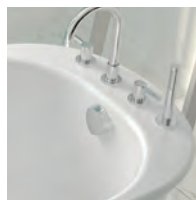

Whether it's a vintage-inspired beauty or a modern statement-maker, an Aquatic freestanding bath has the ability to transform a space. Its sculptural qualities and artistic forms can give a bathroom its personality, and elevate its style from beautiful to breathtaking.

Construction

Aquatic freestanding baths are available in moderately priced 2-piece AcrylX™ construction, and 1-piece cast acrylic models.

Design

Styles range from classic clawfoot and pedestal shapes to modern slipper tubs with clean, contemporary design.

Hydrotherapy

Choose from deep, still soakers with ergonomic backrests, or effervescent air baths (select models) that blanket you with warm bubbles.

BUILDERS' CHOICE

2-Piece Construction

Separate lighter pieces are easier to maneuver through tight spaces, making the installation faster and easier.

AcrylX Finish*

Durable and brilliant applied acrylic finish (White only) is backed by a lifetime warranty .

Faucet Installation

Aquatic freestanding tubs are designed to accommodate both deck- or floor-mounted faucets.

Leveling Legs

Easily adjust the four leveling legs and lock them firmly into place for a stable and secure installation.

Above-the-Floor Rough (AFR)

Raised to accommodate plumbing – perfect for installation on concrete slab.

Available F2 Drain

Quick and easy drain connection solution to simplify freestanding installation and plumbing repairs.

*Excludes Arya cast acrylic model

ASCOT II

WHAT MAKES AN AQUATIC BATH GREAT?

IT'S MORE OF A QUESTION OF 'WHO?'

Behind every product is an expert—an engineer, a designer, a machine operator—someone who is passionate about making bathing a comfortable and enjoyable experience for everyone.

So when you choose Aquatic, you're choosing more than a shower, tub or other bath product.

You're choosing people who are the best at their craft. And that means you can relax knowing you're getting the best quality, value and options for your specific project.
