The bath people

Subway Tile Bath Products

Subway Tile Bath Products

Inspired by New York's first white-walled subway stations, ceramic subway tile has long been a popular choice for bathrooms. Now Aquatic offers an innovative take on this design standard with a new subway tile look backed by the unmatched quality of AcrylX™ with the Strength of ArmorCore™

What is AcrylX™?

It's an applied acrylic that will look factory-new for the lifetime you own it.

- Superior finish with a visibly truer white
- UV properties and less porous surface that resists fading and is easier to clean
- Greater structural integrity reduces the chances of surface cracks
- Backed by a Lifetime Warranty from American Bath Group

What makes an Aquatic bath great? It's more of a question of 'who?'

Behind every product is an expert—an engineer, a designer, a machine operator—someone who is passionate about making bathing a comfortable and enjoyable experience for everyone.

So when you choose Aquatic, you're choosing more than a shower, tub or other bath product.

You're choosing people who are the best at their craft. And that means you can relax knowing you're getting the best quality, value and options for your specific project.
